## **PROCEDURES**

- A. NorthCare Network will monitor compliance with credentialing and recredentialing of contractors as warranted and no less than annually at time of provider site review in

accordance with Network Provider Oversight Monitoring & Evaluation Policy. During the annual site review, a sample of sub-contractor file review conducted by the respective CMHSP will also be reviewed by NorthCare.

## B. Sanctions or Limitations on Licensure

NorthCare Network and the Network Providers review Federal and State of Michigan information regarding individual practitioners and organizational providers who have received sanctions or limitations on licensure/certification from various agencies as they are published or made available.

1. In addition to all the checks required in the NorthCare Network Background and Exclusion Check Policy, the following two sites are also checked at time of initial hire/contract and at time of re-credentialing/contract renewal.
  - a. MDHHS, Bureau of Health Professions, Disciplinary Action Report [http://www.michigan.gov/lara/0,4601,7-154-72600\\_72603\\_27529-43008--,00.html](http://www.michigan.gov/lara/0,4601,7-154-72600_72603_27529-43008--,00.html)
  - b. American Medical Association, Physician Masterfile System at <https://www.ama-assn.org/practice-management/masterfile/ama-physician-masterfile> to verify a physician's credentials.
2. The OIG exclusions database and the State of Michigan Sanctioned Provider list is searched monthly to capture exclusions and reinstatements that have occurred since the last search, or at any time providers submit new disclosure information.
3. All individuals and entities shall disclose to NorthCare Network CEO or Compliance Officer immediately if they have ever been excluded from participation in any state or federal programs.
4. If NorthCare Network has actual notice, or learns through other means, that an employed, contracted or sub-contracted individual or entity has become an excluded individual or entity, NorthCare Network will remove (e.g., through termination of employment, contract or sub-contract) such individual or entity from responsibility for, or involvement in, the business operations related to any Federally Funded Health Care Programs or provision of items or services, directly, or indirectly, to Federally Funded Health Care Program beneficiaries and shall remove such persons from any position for which the excluded individual's compensation or the items or services furnished, ordered, or prescribed by the excluded individual, are paid in whole or part, directly or indirectly, by Federally Funded Health Care Programs or otherwise with Federal funds. The NorthCare Network and Member CMHSP Provider Directories will be updated, as applicable, within 30 days of exclusion from the network.
5. NorthCare Network may execute Network Provider agreements, pending the outcome of screening, enrollment, and revalidation, of up to 120 days but must terminate a network provider immediately upon notification from the State that the network provider cannot be enrolled or the expiration of one

120-day period without enrollment of the provider, and notify affected beneficiaries.

C. Expiration of Licensures

1. To ensure providers in the NorthCare Network have renewed their Michigan licenses and any applicable certifications in a timely basis, the NorthCare Network and Network Providers credentialing staff will:
  - a. Monitor monthly to identify any provider with an upcoming license or certification.
  - b. Ensure primary source verifications of licensure/certification is completed prior to re-credentialing or contract renewal.
  - c. Upload documents into the ELMER Provider Management system.
2. Any Provider who has not renewed their license or certification prior to its expiration will be immediately suspended/terminated from the provider network. Services are not reimbursed during periods of lapsed license/certification.
3. Providers who are suspended/terminated for a lapse in licensure or certification may request reinstatement as a participating provider. Reinstatement is at the discretion of NorthCare Network's Senior Clinical Director, once licensure or certification is renewed.

D. Other Identified Credentialing Issues

1. If a NorthCare Network Participating Provider is listed on an ongoing disciplinary action report or other information source that determines lack of compliance to NorthCare Network practice standards, NorthCare Network will reassess the provider's ability to perform the services that he or she is under contract to provide.
2. Any professional liability claim, judgment or settlement, reported or known, within the past five (5) years will be verified by the NPDB/HIPDB or directly with the insurance carrier.
3. The NorthCare Network Credentialing Committee may:
  - a. Determine that no action is justified;
  - b. Issue a letter of guidance, warning, or reprimand;
  - c. Impose conditions for continued practice on the NorthCare Network provider network;
  - d. Impose a requirement for monitoring or consultation;
  - e. Recommend additional training or education;
  - f. Determine that the provider should be suspended or terminated for cause, as in the case of loss of license.
4. If an individual or entity is listed on the Sanctioned Provider or the OIG Federal Exclusions List during the contract term, that contractor is obligated to notify NorthCare Network and shall be removed from involvement with NorthCare Network operations related to federal or state health care programs.

5. NorthCare Network and any Network Provider must not knowingly have a director, officer, partner, subcontractor, network provider, person with beneficial ownership of more than 5% of the PIHP/Organization's equity, or individuals/providers who are affiliated with another person who has been debarred, suspended, or otherwise excluded from participating in procurement activities under the Federal Acquisition Regulation or from participating in non-procurement activities under regulations issued pursuant to Executive Order No. 12549 or under guidelines implementing such order.

NorthCare Network and any Network Provider must not have a provider or person with an employment, consulting, or any other contractual agreement with a debarred or suspended person or entity for the provision of items or services that are significant and material to this Contract and the PIHP's obligations under its MDHHS/PIHP Contract.

6. Network Providers must notify NorthCare Network's CEO and/or Compliance Officer immediately if search results indicate that any of their network providers, individuals or entities, with ownership or control interests in a provider entity are on the OIG exclusions database.
7. NorthCare Network must notify the MDHHS OIG immediately using the approved OIG reporting form and process if search results indicate that any network provider entities, or individuals or entities with ownership or control interests in a provider entity are on the OIG exclusions database. NorthCare Network must also provide notification to MDHHS OIG if it has taken any administrative action that limits a provider's participation in the Medicaid program.
8. NorthCare Network will notify the Michigan Department of Health and Human Services (MDHHS) Behavioral Physical Health and Aging Services Administration (BPHASA) Division of Program Development, Consultation and Contracts within two business days when disclosures are made by providers with regard to those offenses as detailed in sections 1128(a) and 1128(b)(1), (2), or (3) of the Social Security Act, or that have had civil money penalties or assessments imposed under section 1128A of the Act.
